# FLOODPLAIN VENTING AFFIDAVIT

City of Waveland

I hereby acknowledge that City of Waveland

Is issuing an Occupancy Certificate for the property known as: 162C-1-04-066.000

1005 Waveland Ave Waveland, MS 39576

under Permit # 18507

In which required Floodplain Management Ordinance requirements have been met and a final inspection performed. At the time of inspection, 2 vents and 260 crawl space Access doors used to meet the flood venting requirements of the Ordinance would allow the automatic entry and exit of floodwaters. I acknowledge that all openings designed to meet this requirement must be maintained as flood vents, and that the elimination or alteration of the openings in any way that would no longer allow the automatic entry and exit of flood waters would violate the Flood Damage Prevention Ordinance. Violations may incur civil penalties and possible court action. In addition, I acknowledge that alteration of the vents could result in greater risk to my property and personal safety in the event of a flood. Flood insurance claims may be denied, and flood insurance may not be available or flood insurance premiums increase if vents are altered.

As witness the hand and seal of the owner of the subject property this

14th day of June, 2017.
